Fairy and Folklore Camp

For boys and girls ages 5-12 July 13-16 830-1130AM

Enter the magical world of flower fairies, woodland elves and other tiny folk! We will have lots of miniature art and nature crafts, including fairy or elf houses, clay projects, fairy/elf figures, mini books, puppetry, folklore stories and games. Come be a part of the magic!

ART GRAB BAG!

Ages 5-13 July 13-16 12-3PM

THIS COURSE HAS SOMETHING FOR EVERYONE—DRAWING, PAINTING, CLAY WORK, AND MORE! IT'S A GREAT CHANCE TO EXPLORE SOME OF THE BEST ACTIVITIES OF OUR STUDIO, WITH STRUCTURED LESSONS FOR BUILDING YOUR ART SKILLS, AS WELL AS PLENTY OF FREE CHOICE TIME TOO, SO YOU CAN ALSO WORK ON WHAT YOU LIKE BEST!

JAPANESE ARTS and ORIGAMI

Ages 6-13 July 27-30 830-1130AM

Try your hand at the Japanese paper arts of Origami and Kirigami, learn to write in

Kanji, and do traditional Japanese printmaking. Manga? Anime? No problem! We'll draw in the Japanese animation style. Explore the fascinating art, language and culture of Japan!

WEBSITE DESIGN/PHOTO & VIDEO EDITING

Ages 6-13 July 27-30 12-3PM

Learn how to combine writing, graphics, video and photos into a website, which is your own creation! Go beyond the usual cut and paste.

Learn how to use Photoshop, animation, computerized video editing, and other great

effects, from start to finish, in our computer lab.

SCIENCE MAGIC Ages 6-13 Aug 10-13 830-1130

Take part in some fascinating, hands-on magical experiments while learning valuable science skills.

Lots of new experiments: kites, rockets, crystals, and some good slimy fun. Come learn about chemistry, physics and life science. Looks like magic, but it's Science!

AFRICAN ARTS SAFARI Ages 6-13 Aug 3-6 830-1130AM

One of our favorites! We'll have art projects, stories, games and recipes that are all about Africa, from Senegal to Egypt. Local storyteller Stan Coly will share tales from his home, as well as teach African drumming, batik, tie dye and more!

Colonial Crafts Ages 6-13 Jul 20-23 830-1130AM

Learn crafts, games and recipes from Colonial Times! Activities include candy making, candle making, patchwork sewing and quilting, weaving, spinning, cooking, pen and ink, bookbinding, basketry, and making old world toys. A fun-filled week!

Drama/Puppetry

Ages 6-13 July 20-23 12-3PM

Come learn to make your own shadow puppet theater, and construct other kinds of moveable puppets, both big and small. You'll get to show your acting skills in a play which we'll create and perform in at the end of the week.

Drawing/Painting Ages 6-13

Session I:

Session II:

Whether you like Anime or animals, this course is for you! We'll teach you to draw and paint better, using special techniques. You'll improve your lines, shading and composition using pencil, pastels, acrylics, watercolors and oils. Students will present their work in an art show at week's end.

Pottery/Sculpture

Ages 6-13 Session I:

Session II:

Come get your hands dirty, making coil pots, creating pots on the potter's wheel, and making other sculptures and carvings in clay, paper mache, Fimo and other great art materials. One of our most popular programs—sign up early!

OPEN STUDIO TEEN CLASS

Ages 11-18 Tuesdays/Thursdays 6-730PM July 7-Aug 13

The Teen Class is a drop-in, independent study format, where students have access to quality art materials and professional instruction to help them reach their artistic goals. Students may choose from drawing, animation, acrylic, oils, watercolor, pastel, clay, and many other traditional world crafts. Although the class is run as an independent study, we do encourage students to try new materials, and we demonstrate how to use them.

About us....

Stan Coly, BS
and

Sheila Coly, BFA, BS Ed

We have over 25 years combined teaching experience and share a love for teaching children about art, science, math, world cultures and languages. Between us, we speak 12 languages, which we incorporate in our teaching. We have a strong belief that art should be accessible to everyone, which is why it is our studio's mission to bring an appreciation for fine arts, world crafts and world cultures to as many people in our community as possible.
